Warning: You Drink & Drive, You Lose

Despite all prevention efforts, the probability of being injured or killed in an impaired-driving crash remains unacceptably high. This year July 4th falls in the middle of the week and creates an unusually long holiday opportunity. German and U.S. military law enforcement agencies will be out in force now through July 8 to watch for impaired drivers.

Drivers found to be impaired are subject to immediate arrest and, if convicted, prosecution under host-nation laws or the Uniform Code of Military Justice. Penalties may include fines, drivers license restrictions and possible imprisonment.

Reduce the risk, if you drink don't drive. The price is always too high. Designate a driver, call a cab, ask about the designated driver program at military clubs, find a hotel or, for a safe ride home with no questions asked, call the Military Police desk, 430-5262/civ. 0711-680-5262.
